

Mount Tabor Care Centre & Nursing Home

Welcoming. Serving. Supporting.

DUBLIN CENTRAL MISSION

Staff Nurse

Mount Tabor is a 46 bed Nursing Home, registered by HIQA, catering for elderly people. We are currently seeking to fill a full-time actively Registered Staff Nurse position.

Qualifications and Experience

- (a) A nursing qualification which is recognised and approved by An Bord Altranais.
- (b) Current Registration with An Bord Altranais.
- (c) A valid work permit, if required.
- (d) A minimum of one year's experience of nursing older persons in a hospital or nursing home environment is highly desirable.

Main Tasks

- (a) To promote through high standards of professional nursing practice a caring environment, conducive to the physical and emotional needs of residents.
- (b) To ensure that each person resident in, or attending, our Care Centre receives person centred care appropriate to his/her individual needs.
- (c) To maintain a safe, hygienic and comfortable environment where respect for the privacy and dignity of residents and attenders at our Care Centre is assured at all times.
- (d) Full knowledge and understanding of Care Plans.
- (e) Communicate with relatives/family members as required.
- (f) Participate in in-service training and education.
- (g) Keep up-to-date with the current research.
- (h) To guide and assist all members of the team in order to help them do their jobs in the best way.
